## QuickBooks App Menu

### Apps to meet your business' needs

Explore the time-saving apps that connect with QuickBooks. The apps stated below are the ones that we recommend. To see the full list visit: <https://apps.intuit.com/?locale=en-UK>

#### eCommerce

**Unify** enables you to post all your retail and eCommerce data to QuickBooks automatically.

**Shopify** enables you to create an online store front which seamlessly connects for a real time view of finances.

#### Expense Management

**Receipt Bank** is the simplest way to sync your receipts and bills. Say goodbye to chasing and data entry.

**Expensify** is the best solution for receipt, mileage and expense reporting as well as company card reconciliation.

#### Payment Processing

**Plotoo** allows you to send and receive business payments in one integrated cloud-based platform.

**Freedom Merchant** makes it easy to seamlessly integrate your checkout page, shopping cart, POS and invoicing.

**PayPal** allows you to take credit card payments easily and automatically view and reconcile transactions.

#### Inventory Management

**SOS Inventory** offers a complete inventory, order management and manufacturing solution.

#### Don't just take our word for it

“ Changing to QuickBooks has been a daunting experience for us, but Dunkley's have been there to assist all the way. Now we have made the switch, we can appreciate its benefits, namely the efficiency it has brought to our accounting processes.”

Gerrida Olivier, Rolserv

#### Billing and Invoicing

**Bill Pay** enables you to pay vendor and contractors' bills directly in just one click.

**BigTime** is a time billing app which helps you to manage expenses and projects in one place.

#### Accounts Payable

**AutoEntry** automates the extraction and processing of invoices and receipts posting them directly into QuickBooks.

**ApprovalMax** extends online accounting platforms with approval-driven financial controls for Accounts Payable and Accounts Receivable.

### Apps to meet your business' needs

#### Time Tracking

**TSheets Time Tracking** is an all-in-one workflow tool for payroll, invoicing, job costing and much more.

**Time Tracker** allows you to track your teams hours and instantly sync approved timesheets for payroll.

#### Human Resources

**ClockShark** is a time tracking tool for companies with a mobile workforce. It makes payroll and scheduling quick and accurate.

**Deputy** is an all-in-one employee management tool which enables you to manage schedules and timesheets seamlessly.

#### Reporting

**Qvinci** automates client reports to increase billing realisation and staff utilisation.

#### Payroll

**Gusto** makes payroll a breeze by automatically syncing employees payroll, corrections, wages, taxes and reimbursements.

#### Property Management

**Re-Leased** is an automated, intelligent commercial Property Management software that Property Managers and Investors will love. Manage assets, properties, and tenants with ease and confidence all in one place.

#### Data Sync

**Excel Transactions** is an intuitive and powerful tool used for importing, exporting and deleting transactions.

#### CRM

**Method:CRM** streamlines your operations. It organises client lists, syncs existing contacts and avoids double data entry.

#### A word from our specialist

“ The cloud and accounting software are the perfect match – working with the cloud will give you a real time overview of your business finances, improve collaboration with your team and save your company time and money. The cloud is a platform to make data and software accessible online anytime, anywhere and from any device meaning you can always stay connected with your data and your accountant.”

**Fiona Davey, Client Partner**

#### Document Management

**HubDoc** enables you to have all your financial documents in one place, automatically.

**SmartVault** allows you to store and access files online, share documents through a client portal and seamlessly integrate files with QuickBooks.

To find out how to convert to QuickBooks or add any of these apps to your subscription, please contact **Fiona** on **01454 619900**
